ANG TULAY

A Journey with Children in Grief

Precious Jewels Ministry (PJM) would like to thank you for joining as partners in ANG TULAY.

In 2006, four PJM staff traveled to Uganda to introduce the ministry of Ang Tulay to NGO partners. In 2008, we returned to Uganda for another three months. We met with community leaders in war-torn Northern Uganda as well as local churches and organizations responding to the AIDS epidemic.

Since 2009, PJM Filipino staff and volunteers from around the world work together with Ugandan leaders in developing the Ang Tulay training.

In 2011, an invitation was extended for PJM to share Ang Tulay in Rwanda with community and church leaders; we lived in Rwanda for 2 months to introduce Ang Tulay.

The door has been opened. We believe that Ang Tulay is a gift that God has given us to share with others for the healing and restoration of children in East Africa.
